

Mat decoration tape (25mm)

Self adhesive acid free paper/linen tape

Mat decoration tape is especially designed for mat decoration; specially for covering (foam/board biseaux) strips to make a mat/mount with a deep bevel.

The self adhesive tape is acid free. Available in the most popular white colours (with and without vergé), paper with linen pressing, different gold and silver tones and some special prints. Some colours match with the Moorman matboard see colour specification (mm = Moorman).
